WISH LIST ITEMS

Volunteer Opportunities:

1-on-1 volunteers for all of our services to seniors

- PR assistance
- Board members
- Staff training/enrichment (i.e. team building, leadership skills for new managers)

We are always in need of volunteers and have many volunteer opportunities for those who have a little or a lot of time. Right now, our highest demand service is for transportation, which generally take place Mon-Fri 9am-3pm, but we also have volunteer opportunities for in-person friendly visiting, check-in phone calls, and grocery shopping (online or in-person), which all can be arranged on the weekends. Though most of our volunteer opportunities

are one-on-one, we also have group volunteer opportunities for events like our annual Volunteer Appreciation luncheon, where we honor the selfless efforts of our volunteers. As part of our Board Succession Plan, we are always looking to members of the business community to fill upcoming vacancies on our board as well.

Lower Cost Urgent Items:

1. Subscriptions to music streaming service (i.e. Spotify), speakers and headphones for the delivery of our Connect Thru Music program.
2. Assistive technology to ease caregiving challenges for those caring with loved ones with dementia.
3. Gas gift cards to provide to transportation volunteers (volunteer appreciation).

WISH LIST ITEMS

Volunteer Opportunities:

Our program offers the following volunteer-led services:

1. Educational Support: Volunteers help residents improve academic performance, prepare for GED exams, and complete college applications through tutoring services.
2. Career Development: Volunteers assist residents with resume writing, job applications, interview preparation, and job search strategies. We also offer career workshops and mock interviews to build professional skills and confidence.
3. Life Skills Training: Residents learn critical life skills like budgeting, cooking, household management, and personal hygiene. These workshops also include financial literacy, goal setting, and time management to foster independence.
4. Health and Wellness Programs: We promote physical and mental well-being by offering fitness classes and nutrition workshops. Volunteer healthcare professionals provide health screenings and wellness check-ups to ensure residents maintain a healthy lifestyle.
5. Arts and Recreation: Creative outlets, including art classes, music lessons, and recreational activities, help residents express themselves and manage stress in a positive way.
6. Facility Maintenance and Improvements: Volunteers skilled in repairs, painting, and gardening contribute to maintaining a safe and welcoming environment. Community clean-up days and beautification projects further enhance the space for our residents.

7. Meal Preparation and Nutrition: Volunteers assist in preparing nutritious meals, lead cooking classes, and help residents with meal planning and grocery shopping to foster healthy eating habits. Contact person: Nabijah Shabazz (nshabazz@covenanthouse.org)

Higher Cost Urgent Items:

1. Two Desktop computers for use by residents of the program.

Lower Cost Urgent Items:
