#### **WISH LIST ITEMS**

#### Large Purchase Items:

 A reach-in refrigerator to house more perishable items for our pantry. It would expand our ability to give more refrigerated fresh items.
Refrigerator Link

2. A refrigerated van to transport perishable food items from retail & food bank donations we receive. As well as bring the same items into the community to serve those in need for our mobile pantry.

Ford Van Link

3. A box truck so we don't have to rent a truck to deliver Thanksgiving baskets, toys for the holiday and donation food pick ups. Right now when we have a large pick up we have to rent a truck which becomes costly and we can't afford it. We loose a lot of opportunities because we don't have proper truck size.

**Box Truck Link**
